ENDURANCE®

Solid & Secure Composite Doors

For safety, security and style chose Endurance Composite doors

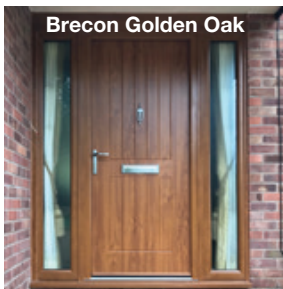

Renowned for solidity and security, timber core **composite doors** are the only choice when it comes to securing your home. Endurance doors boast 48mm thick solid timber slabs which are even **sledgehammer proof!**

Choose from a diverse range of styles; the Classic Collection **composite doors** draw inspiration from the Georgian and Victorian eras, whilst doors in the Urban Collection add a contemporary feel to your property. Rural home (or just love the style)? No problem – the Country Collection has a selection of doors perfect for your country cottage or rural farmhouse.
